## ATF RANSOM SHADED INITIALS, 36PT {DAGC07}

Ornamental initials from American Type Founders.

Ransom Shaded Initials were produced by ATF in sizes 12 through 48 point and are shown in their 1942 catalog. This is an incomplete set (missing F Q W) but includes the ornamental brackets and seven (7) duplicates. Letters X and Z were not cut for this face. Type is darkened with age but showing minimal wear.

**Price:** \$59.00 \$56.64

## ATF RANSOM SHADED INITIALS, 48PT DAGC07

### READ NOTE BELOW

Ransom Shaded Initials were produced by American Type Founders in sizes 12 through 48 point and are shown in their 1942 catalog. We are offering three (3) complete sets of this largest 48 point size, each with some additional duplicates. All sets include the two font ornaments and a pair of the matching brackets as originally furnished. A few types have been saw-trimmed for closer fit.

Please note that the letters X and Z were not made for Ransom Initials. Yeah, that's dumb—take it up with ATF!

**Set No. 1** Complete set of 24 letters, plus 22 duplicates. Weight 4.1 lbs. **If the In Stock quantity above shows 3, this is the font you will get.**

**Set No. 2** Complete set of 24 letters, plus 13 duplicates. Weight 4.5 lbs. **If the In Stock quantity above shows 2, this is the font you will get.**

**Set No. 3** Complete set of 24 letters, plus 12 duplicates. Weight 4.5 lbs. **If the In Stock quantity above shows 1, this is the font you will get.**
