This box also contains the famous promotional item produced by Lanston Monotype, the entire Lord's Prayer on a 24-pt em-body type. (Upper right corner in the box.) This was done to show off the high degree of precision in their matrix manufacturing. The second (close-up) pic is a scan at 600dpi; the type isn't as rough as it looks but that's the best our scanner can do. DA0105

**Price:** ~~\$80.00~~ \$55.41
